Annex to the Participants’ information

The Donders Centre for Cognitive Neuroimaging has taken out insurance for the subjects in this scientific research. This insurance covers losses caused by death or injury resulting from participation in this scientific research, which reveals itself during the participation of the subject in the scientific research or within four years thereafter. The personal injury is deemed to have revealed itself at the time it is reported to the insurer.

In the event of a claim, you may contact the insurer directly.

The insurer is:
Onderlinge Waarborgmaatschappij Centramed B.A.
P.O. Box 191
2270 AD Voorburg, The Netherlands
Tel.: +31 70 3017070
Email: Schade@centramed.nl

The insurance provides a maximum cover of € 650,000 per subject and € 5,000,000 for the entire research, and € 7,500,000 per annum for all examinations of the same client.

The above amounts are included in the “Besluit verplichte verzekering bij medisch-wetenschappelijk onderzoek met mensen”. Information on this “besluit” can be found at the website of the Central Committee Clinical Research involving Humans: www.ccmo.nl.

The insurance covers losses resulting from experiments. The insurance does not cover:
- Claims for injury that is inevitable or practically inevitable, given the nature of the experiment;
- Injury to the health which also would have occurred if you had not participated in the experiment;
- Injury caused by the subject’s non- or partial adherence to the directions or instructions;
- Injury to the descendent(s), as a result of an adverse effect of the experiment on the subject or on the subject’s descendent(s);
- Injury caused by an existing treatment method in an experiment into existing treatment methods;
- Injury resulting from the occurrence of a risk of which the subject was warned in the written information, unless the risk occurs in a more serious degree than was expected or said risk was highly unlikely to occur.
