**Arrival Days 2016/2017**

**Orientation Programme**
Lund University offers a program beginning after Arrival Day. The orientation program usually lasts for two weeks and we urge all incoming students to take part in this from the beginning, since it makes the stay in Lund a lot easier and fulfilling.
**Introductory Swedish (SUSA)** is a short language introduction course of 3 credits, offered to all exchange students before the regular semester and courses start. Our aim is to give the students a smooth integration into Swedish culture and society. Information on the SUSA course is provided at: [http://www.lunduniversity.lu.se/student-life/preparing-to-come/arrival-introduction/introduction-andorientation](http://www.lunduniversity.lu.se/student-life/preparing-to-come/arrival-introduction/introduction-andorientation)

Activities organized for exchange students start on Arrival Day and continue for the two following weeks.

**Language requirements**

The exchange partners should guarantee a sufficient level of English proficiency for nominated students. Students studying at a university that is not in an English speaking country, are highly recommended to have proven proficiency in English at least equivalent to “Course B” in the Swedish system:
- IELTS Academic: For Course B: an overall mark of 6.5 and no section below 5.5
- TOEFL:
  - Paper-based: For Course B: Score of 4.5 (scale 1-6) in written test, total score of 575
  - Internet-based: For Course B: Score of 20 (scale 0-30) in written test, total score of 90
- University of Cambridge ESOL Examinations: Cambridge English: Advanced (Certificate in Advanced English) course B

**Course restrictions**

Most courses are on the master’s level and requires the exchange students to have a bachelor degree or similar level when arriving, i.e. 3 years of previous Law studies since most of our offered courses are on the Master level. However, for some courses we do accept students with 2 years of previous law studies when arriving. During the autumn semester we offer 4 courses that are held in English for exchange students with less than 3 years of prior law studies: Introduction to Swedish law, Enforcement of EU Law, Comparative European Legal History and Legal History of Minorities. During the Spring semester the Faculty offers Comparative European Legal History and Legal History of Minorities.

**Credits per semester**

30 ECTS per semester – 60 ECTS for one academic year. Students are allowed (and expected) to choose 2 law courses per semester (15 ECTS credits each). Additional Swedish language courses and SAS courses are offered by the University and not by the Faculty of Law. Places at these courses are limited and we can’t offer students more than 30 credits in total each.

<th>Estimated expenses per month</th>
<th>According to the requirements of the Swedish Migration Board, exchange students are expected to have 8,010 SEK a month for living expenses. However, we also provide figures based on the average expected costs for Swedish students. We feel these figures give a more accurate idea of the real costs a student may face. We recommend that students consider the figures below and budget for expenses that may be higher than the minimum required by the migration board.</th>

<td>Insurance</td>
<td>All exchange students are covered by “The Swedish State Insurance for Foreign Students” (STUDENT IN). This coverage is restricted to the period of time that the students are in Sweden, as specified in the student’s Letter of Acceptance and extends mainly to health claims arising while the student is physically present in Sweden. The students agree to read and accept the terms and conditions of the insurance agreement as presented in the following link: <a href="https://www.kammarkollegiet.se/sites/default/files/villkor_engelska_student_in.pdf">https://www.kammarkollegiet.se/sites/default/files/villkor_engelska_student_in.pdf</a></td>

<td>EU/EEA citizens are required by the Swedish authorities to have comprehensive medical insurance (e.g. European Health Insurance Card, E128 or E111) during their studies in Sweden. <td>Study Abroad Report</td>
<td>Study Abroad Reporting is a valuable feedback and reference tool for exchange students. We are now in the process of changing our online reporting system. The prior national reporting system, STARS, is being phased out. We will be able to provide more information on the replacement system to students during the coming semesters.</td>
