Accommodation

Foreign students might find accommodation either in private flats or in dormitories. Please note, you should arrange your accommodation yourself by the time you arrive at PPCU.

There are two possible ways to arrange accommodation:

- Search for available flats and rooms yourself. You can rent an apartment or a flat in Budapest. It costs approximately HUF 50,000-100,000 or 200-300 Euros per month + utilities. You can reduce your costs if you share your flat with other students. For more information please visit the following web-sites:
