Radboud Summer School
6 - 18 August 2017

We invite you to change perspective

Radboud University
Radboud Summer School

Want to be part of a unique international academic experience this summer? Then join our first rate Radboud Summer School!

You will boost your knowledge and enjoy exciting social activities! It is organized by Radboud University in Nijmegen, one of the leading academic centres of excellence in the Netherlands, in cooperation with Radboud university medical centre. We welcome students, PhD candidates, postdocs and professionals from all over the world. All of our courses are taught in English by renowned academics from our university and our international partners. Choose one (or more) of our carefully selected academic courses and spend your summer the smart way!
