Preparing for Your Exchange

CANADIAN IMMIGRATION
The Government of Canada regulates international study permits and visas through Citizenship and Immigration Canada (CIC) www.cic.gc.ca
When students arrive in Canada, a border services official will ask to see their travel documents. You should be ready to show the following documents for entry to Canada:
• Valid Passport or travel document
• Letter of Introduction confirming approval of your Study Permit (if applicable)
• Valid Temporary Resident Visa (if applicable)
• Admission letter from Western
• Proof that you have enough money to support yourself during your stay in Canada
• Any other documents recommended by the visa office where you applied (if applicable)
www.cic.gc.ca/english/study/study-arriving.asp
It is the student’s responsibility to find out the immigration requirements and to obtain the necessary documents for travel to Canada. Students can find this information by contacting a Canadian Consular Office near them.
www.voyage.gc.ca/contact/offices-list_liste-bureaux-eng.asp

STUDY PERMITS
Exchange students studying in Canada are required to have a valid Study Permit except in cases where the duration of the program of study is 6 months or less.
www.cic.gc.ca/english/study/study-who.asp

We strongly encourage all exchange students to apply for a Study Permit. “Even if you do not need a study permit, it is a good idea to apply for a permit before you come to Canada. If you decide that you want to continue your studies in another program after you complete your short-term course or program, you must apply through a Canadian visa office outside Canada for a study permit if you do not already have one.”
www.cic.gc.ca/english/study/study-who.asp
International students who hold a valid Study Permit and are registered as full-time students are permitted to work on campus
www.cic.gc.ca/english/study/work-on-campus.asp
International students without a valid Study Permit are not eligible to work in Canada.

TEMPORARY RESIDENT VISAS
Citizens of certain countries require a Temporary Resident Visa (TRV) to enter Canada. A TRV is not the same as a Study Permit. A TRV gives the student permission to enter Canada, whereas a Study Permit gives him/her permission to study in Canada. See the Citizenship and Immigration Canada website for a list of countries requiring a TRV.
www.cic.gc.ca/english/visit/visas.asp

Students must apply for a TRV (if required) before entering Canada. They are available only at a Canadian embassy, consulate, or high commission outside of Canada. Consult the list of Canadian visa offices to find the office responsible for your country and what requirements and procedures you must follow when you apply:
www.voyage.gc.ca/contact/offices-list_liste-bureaux-eng.asp

DESIGNATED LEARNING INSTITUTION NUMBER
Recent changes with CIC require institutions to be approved as Designated Learning Institutions (DLI). Western’s DLI number is 019375892122.

LIVING ON CAMPUS
Traditional dormitory-style residences and apartment-style suites are available. Most residences offer a meal plan. Single students who have been accepted by mid-May for a full-year exchange will receive a guaranteed offer of residence or waiting list information. Residence accommodation for students on single-term exchange depends on availability. www.residenceatwestern.ca

OFF-CAMPUS HOUSING
Western is located in a residential area with many housing options close to campus. Our Off-Campus Housing Office provides lists of available housing, advice and translation of rental agreements and terms and conditions. For more information see:
http://offcampus.uwo.ca/exchange_students.htm

HEALTH CARE
While in Canada and registered at Western, students are required to be enrolled in the University Health Insurance Plan (UHIP). For information about UHIP and what is included in the coverage please visit http://uhip.ca

While UHIP covers most doctor visits, it does not include any supplemental coverage for things such as prescriptions. We strongly recommend buying supplementary health insurance in addition to UHIP.
