STUDENT GUIDE
STUDY ABROAD & STUDENT EXCHANGE
innovative • entrepreneurial • global
Malaysia, being one of the most developed countries in the ASEAN region, is made up of the vibrant West Malaysia and the East Malaysia. The country is rich in natural resources, well-known for eco-tourisms and strong economic growth. Malaysia is proud of its peaceful living environment where various ethnic races interact amicably through mutual understanding and tolerance. Malaysia is also popular as a shopping paradise, food haven and great hospitality. The Malaysian education sector has grown tremendously during the past decade where Malaysia pledges to become an outstanding Regional Education Hub by 2020. Education opportunity is abundant for international students. Come and explore Malaysia, a country rich in diversity, rapid economic development and people living in peace and harmony!
UTM is a leading innovation-driven entrepreneurial research university in engineering, science and technology located both in Kuala Lumpur and Johor Bahru, Malaysia. Since it became a full-fledged university in 1975, UTM has played a pivotal role as Malaysia’s largest contributor of technical and professional workforce for the local industry, government agencies as well as multinational companies. UTM’s mission is to be a leader in the development of human capital and innovative technologies that will contribute to the nation’s wealth creation.

UTM has 19 academic faculties/schools, 10 Research Alliances and 28 Centers of Excellence covering a range of disciplines including engineering, science, ICT, education and management. There are more than 24,000 students studying in UTM, out of which 11,754 are enrolled in the postgraduate programs and 10,632 are undergraduates. There are approximately 5,000 PhD students and 4,000 International students pursuing studies in various fields of specialization.

About UTM

UTM Johor Bahru Campus
Sprawling across 1,177 hectares of lush greenery in the pristine environment of Johor Bahru, the main campus is located in Iskandar Malaysia region, a dynamic economic corridor at the southern tip of Peninsular Malaysia and just a causeway-apart from Singapore.

UTM Johor Bahru Campus
Sprawling across 1,177 hectares of lush greenery in the pristine environment of Johor Bahru, the main campus is located in Iskandar Malaysia region, a dynamic economic corridor at the southern tip of Peninsular Malaysia and just a causeway-apart from Singapore.
The campus is located in the heart of Kuala Lumpur, the capital of Malaysia, a strategic destination for international staff, students and visitors. The campus has recently been refurbished to world-class facilities including a 17-storey administrative building, the Scholar’s Inn, and the Malaysia-Japan International Institute of Technology (MJIIT) building.

- Canteens are available in each hostel and various food outlets are located in the vicinity.
- Hostel fee: From RM600 per month onwards

Choose Your Program

Study Abroad
UTM offers 1-2 semesters exchange programmes at undergraduate and graduate levels. A wide range of courses focusing on Engineering, Technology, ICT, Education and Management, fully taught in English, are offered.
Please visit: http://www.utm.my/international/non-graduating-student-program/

Internship / Research Attachment
UTM also provides opportunities for inbound students to pursue cutting-edge trans-disciplinary research work for 1-2 semesters. Students can apply throughout the year.
Please visit: http://www.utm.my/international/non-graduating-student-program/

Academic Visit
Spend up to 7 days in UTM to experience the unique Southeast Asian cultures, to study the global issue or to get access to extraordinary learning opportunities. Students can join short seminar or discussion with students at host faculty as well as experience the cultural exchange activities.
Please visit: http://www.utm.my/international/academic-visit/

UTM Summer School
The Summer School Programmes in UTM are for two- to three-weeks. The summer school creates reciprocal partnership through which participants exchange ideas, share experience, discover new knowledge and establish network. Apart of lectures, participants will learn and have hands-on experience during field trips and cultural programmes. The courses typically enroll international students from different countries and well-mixed with a group of local UTM students acting as buddies to expedite the local immersion experience. It also serves as a platform for the International Professor accompanying their students to deliver lectures within the programmes and hence promoting staff exchange opportunities in the long run.
Please visit: http://www.utm.my/mytree/
UTM Malaysian Tropical Education Experience (MyTREE) provides a range of comprehensive 3-weeks program for international student to experience a range of multi-disciplinary courses and multicultural program in Johor, Malaysia. Universiti Teknologi Malaysia (UTM) is a leading innovation-driven entrepreneurial research university in engineering, science and technology. It is one of the top Public Research Universities in Malaysia.

Program Schedule

| MyTREE Term 1 | Jan - Feb |
| MyTREE Term 2 | Aug |

Program Fee

| Tuition Fee | USD 1500 / 3 weeks |
| Cultural Activity & Language Class Fee | |
| Dormitory Fee | |

Integrated Cultural Activity and Malay Language
Credits may be weighted differently for different home universities.

Application

Deadline
1st Semester: 30th April
2nd Semester: 30th September
Internship: 3 months before program start

Visa & Student Pass
• All international students are required to apply for student visa for the purpose of their stay in Malaysia and it is COMPULSORY to apply for a Visa of Approval (VDR) prior to arrival.
• UTM will help students to apply for the VDR prior to the student's arrival and the student visa after their arrival.
• Students are not allowed to enter Malaysia as a tourist if the intended stay is more than 90 days.
• Please visit: http://www.utm.my/international/non-graduating-student-program/

Insurance
All international students must keep a valid health insurance throughout their stay in Malaysia. Students must purchase Travel Insurance/Medical Insurance prior to their arrival and the insurance should cover their medical expenses in Malaysia.

Process
1. Fill up the Online Registration Form - UTM NGS Application Form (downloadable via UTM International website: http://www.utm.my/international/)

2. UTM International will review application.

3. Offer letter will be issued upon approval from the respective faculty/school.

4. Visa application.

Note: Fully completed application along with all required supporting documents MUST reach UTM International by email before the application deadlines.

Arrival And Orientation

Pre-Arrival
We will email the pre-arrival information together with the official offer letter which contains the information of the academic calendar, orientation, arrival tips, visa, accommodation and registration.

Arriving on Time
Students should arrive in UTM during the weekdays prior to the orientation session, the session is compulsory.

Orientation Session
The orientation session coordinates the first day on-campus experience for the student. It provides helpful information on enrolment requirements, visa information, settling into campus and answering to potential queries that might arise.
