22 years of South African democracy; HIV, gender & sexuality

change perspective

Radboud Universiteit
A review of HIV, gender & sexuality

22 years into democracy: how far have we come regarding HIV & Aids, gender and sexuality in post-apartheid South Africa? This interactive course aims to develop a global understanding of HIV and AIDS, gender and sexuality through a health and social justice perspective, with a specific focus on the South African experience.

Topics in this course include among others:

- Health and social justice theoretical framework
- Political history and management of HIV in post-Apartheid South Africa
- Personal worldview clarification
- HIV & Aids | Statistical Overview
- HIV & Aids | Basic bio-medical facts, Opportunistic Infections & Treatment (including medical male circumcision; PREP, PEP, ART, HTS, Test & treat)
- Sexuality | Men Who Have Sex With Men, LGBTQI+ & Commercial Sex Work
- Discrimination | Injecting Drug Use;
- Gender Values
- Power, Status and Health
- Sexually Transmitted Infections and Tuberculosis

The course is based on interactive experiential learning and on our website you can find a more detailed description.

After this course you are able to

- Prevent HIV transmission through understanding cross-cutting and underlying issues and by promoting responsible sexual behaviour
- Support infected and affected individuals to live positively and to achieve academic and career goals
- Deliver knowledge and information about HIV, gender, and sexuality, including righting any misconceptions or myths
- Facilitate attitudes and value clarification around issues of social justice, including diversity and transformative thinking
- Develop social structures that will support transformative thinking and a social justice perspective
- Reach vulnerable individuals who may not normally access information, health or support services.
Number of EC

More than just a course!
Radboud Summer School is more than an academic event. It is a unique opportunity to meet other international students and researchers and to get to know Radboud University and the city of Nijmegen. Our participants come from all over the world and have different cultural and academic backgrounds. Our programme includes the following activities free of charge: welcome reception, sports activity, guest lecture and farewell drink. We offer also a BBQ, River Cruise, City Tour, Pub quiz and excursion for a small fee.

Have a look at what participants had to say about their experience!

And do not forget to register now!

Deadline application
June 1, 2017
