Dear colleagues,

We cordially invite you for the annual WAOP conference, which will be held at the Radboud University on the 24th of November, 2017. The WAOP conference offers all Dutch and Belgian researchers in Work & Organizational Psychology the opportunity to present their current work, to receive helpful feedback from colleagues and to get together in an informal atmosphere.

This year, the conference is organized by the research group “Work, Health and Performance” from the Radboud University’s Behavioural Science Institute. We aim to realize an interesting and varied conference program, including a distinguished keynote speaker (Prof. dr. Alex Burdorf, Erasmus University Rotterdam) and high quality thematic sessions, followed by a tasty dinner. You can find more information and register yourself at www.ru.nl/WAOP2017.

See below instructions for abstract submission.

We are looking forward to welcoming you in Nijmegen!

Although empirical studies will be given priority, abstracts addressing research proposals will also be considered. On the basis of your abstract, you may be invited to give an oral presentation (in English) at the conference. Notifications of acceptance will be send by email by mid-September.

Best paper award
In order to present at the conference, submitting a paper is not mandatory (an abstract suffices). However, if your abstract is accepted and you would like your research to be considered for the best paper award, you can choose to submit your paper (in English). Deadline for paper submissions is **October 15th 2017**. Details about the submission process will be included in the acceptance letters.
