

**Worksheet: Concluding**

**Names:**

**1. What is our research question?**

.....  
.....  
.....

**2. What are our results?**

Write this down on separate sheets.

**3. What is our conclusion?**

[This is the answer to the research question.]

.....  
.....  
.....  
.....  
.....

**4. Why do we think this is the outcome of the research?**

[We call this the 'discussion']

Is the conclusion the same as our predictions (hypothesis)? Why (not)?

.....  
.....  
.....

Why do we think these results and conclusion were found?

.....  
.....  
.....  
.....

Are there other surprising findings to be drawn from the research?

.....  
.....  
.....  
.....  
.....

What would we do differently if we were to repeat the research?

.....  
.....  
.....  
.....
