Schedule (classes offered in the coming semester)	https://registrar.humboldt.edu/class-schedule
Registration	Exchange students who have completed the International Humboldt Online Orientation Program (IHOOP) can register as early as April 25, 2022. It is highly recommended for students to complete IHOOP early and be ready to register in late April to ensure they receive the classes they are interested in taking. Additionally, early registration allows them to communicate with faculty before the faculty leave mid-May.

	Exchange students receive priority registration but classes may still fill up. If a prerequisite is required for a class the student will need to contact the faculty to ask for a 'permission number' to allow them to register. The exchange student should be prepared to show a syllabus or class description that meets the scope of the pre-requisite. Unless a student is enrolled in a class a place in that class cannot be guaranteed.
Student population on campus	6,413 (more information: http://humboldt.edu/about)
Application information	Applications can be processed from scanned documents. The dates below are guidelines only. Early application is strongly suggested to assist in securing housing & course registration.

Health insurance	<p>Upon acceptance, students will be automatically billed for our mandatory health insurance. The purchase of Humboldt International health insurance is mandatory.</p>

	<p>http://extended.humboldt.edu/international-programs/current_students/student-resources/health-insurance</p>
English language proficiency	<p>TOEFL is not required for students from exchange partners. Students whose first language is not English must send a letter from an English language professor verifying the student's language capabilities and stating that they can participate fully in classes taught in English.</p>
Airport/Bus Station pick up	<p>Students must arrange their own transportation from the local airport (code: ACV) or from the Greyhound/Amtrak bus station to housing. The College of Extended Education & Global Engagement cannot provide airport pickup service.</p> <p>There are limited Uber, Lift, taxi and/or bus services from the airport or the bus station, especially if your flight/bus arrives late at night. You will want to make your transportation arrangements prior to arriving.</p> <p>Please view our website for more information: https://extended.humboldt.edu/international-programs/admitted_students/pre-arrival-information</p>
