ABOUT US

We belong to a **world-wide network of Jesuit universities**, which is a key part of our identity: there are 30 Universities in Latin America, 28 in U.S.A and almost 180 universities all over the world.

Pontificia Universidad Javeriana was founded in 1623, and has operated in Cali since 1970. The campus is located on the south side of the city, surrounded by a spectacular variety of flora and fauna and a magnificent view of the Cauca Valley. Moreover, **we have a strong commitment with human and academic excellence**. This statement is the essence of our work. No matter how difficult the challenge is, our goal is to provide a world class education.

If you are a student, professor or person looking for an international experience with a desire to learn the Spanish language and culture, or to explore networks with professors and researchers, the Javeriana Cali is the right place for you!

Feel free to contact our International Affairs Office. We look forward to seeing you in Cali.

Luis Felipe Gómez Restrepo, S.J.
President

INTERNATIONAL STUDENT MOBILITY

Students from our partner institutions can live the following international mobility experiences in Javeriana Cali:

- Study Abroad Semester
- Internships (including research)
- Spanish Language Course
- Short-term Programs
- Medical Internships

Entry and stay in Colombia

1. **Visitor visa:** For students whose nationality requires it to enter the country, medical students and scholarship students.
2. **Entry & stay Permit (PID):** valid for up to 180 days, for nationals from countries to which Colombia does not demand a visa.

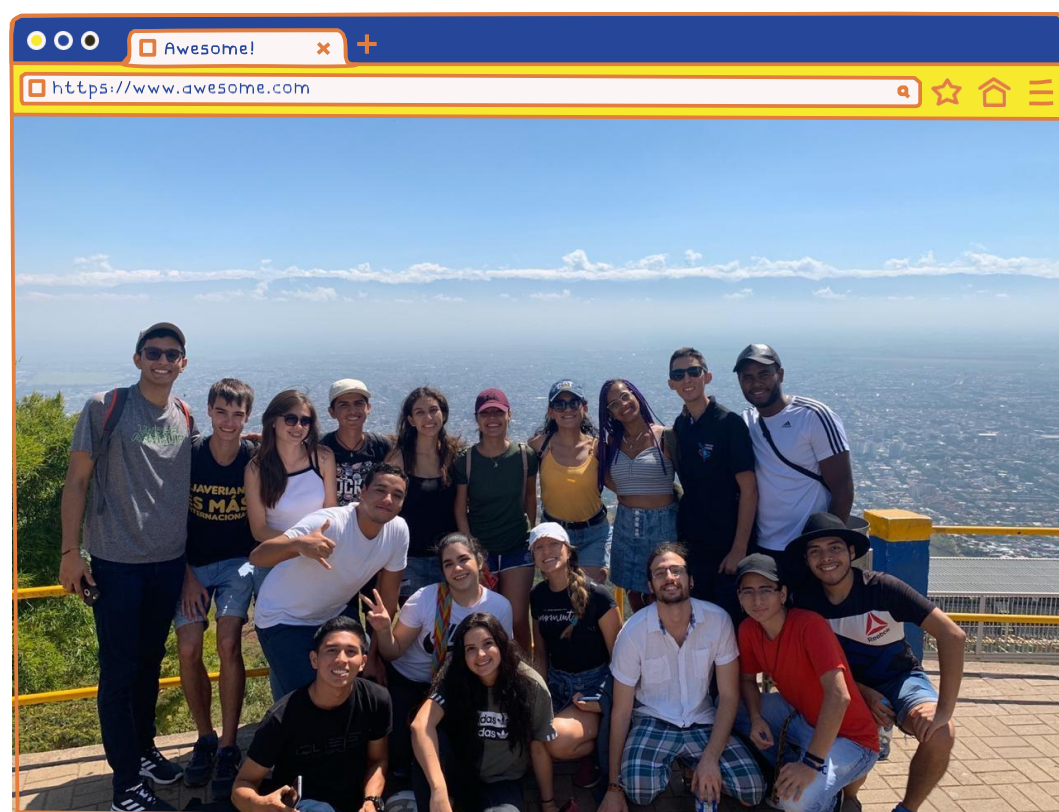

Important: Verify if a **PCR test or vaccination certificate** against COVID-19 is needed to enter the country.

Application language requirements

- **Intermediate level of Spanish B1** (Home university or international test must certify Spanish proficiency).
- Non-Spanish speakers must take Spanish as an academic course during the semester.
- If you are interested in taking courses in English, we require a certificate from the home university or a standardized international language exam of level B2.

Housing

Javeriana Cali does not offer on-campus housing. We offer alternative housing options independently or in family homes. Another option is staying at **Boho U Living** university housing.
