Why Egypt?

Egypt is a unique, ancient and wondrous destination that has a lot to offer its visitors, no matter their ages and interests. It is a fantastic place for nomads, scholars and residents alike. The Greater Cairo area has a population of 20 million people with the city sprawled along the longest river in the world, the Nile. Encompassing the Pyramids of Giza, beautiful mosques and churches as well as numerous museums, the Arab world's most populous city is teeming with life. Explore the winding streets of Cairo, and you will find a budding art and music scene as well as numerous cafes and coffee houses, famous for their tea and backgammon. The dialect of Arabic spoken in Egypt is the most well-known and most understood in the Arab world, making Egypt a prime language learning center in the Middle East.
