General Information

University of Canterbury	<p>Established in 1873 by scholars from Oxford and Cambridge, the University of Canterbury in Christchurch, New Zealand, has an international reputation for academic excellence in both teaching and research. Teaching staff are actively involved in research and publishing in their areas of speciality. As a result, even undergraduate students can expect to be taught by lecturers who are at the forefront of knowledge in their field. The University's world-class education is also enhanced by the many outstanding international academics who visit each year on our staff exchange programmes. Students may be taught by academic staff from the universities of Oxford or Cambridge, among many others.</p> <p>The University is situated in a spacious landscaped campus in the suburb of Ilam, Christchurch, only 15 minutes from the central city and 10 minutes from the International Airport. The campus is attractively landscaped, with plenty of green space to relax with friends between lectures. Modern facilities</p>
--------------------------	---

	<p>include four libraries, computer suites with 24-hour access, lecture theatres, laboratories, studios, six halls of residence and a host of student services and facilities, including cafés, bars, a health centre and pharmacy, recreation facilities, childcare facilities, shops, an art gallery and an events centre.</p> <p>See how our Study Abroad and Exchange students have experienced New Zealand with their own photos and videos in our gallery.</p>
Christchurch	<p>Located in the South Pacific, Christchurch is New Zealand’s second largest city and offers a huge range of recreational activities. With a population of around 465,800, Christchurch is the largest city and economic centre of the South Island. In recent years both the New York Times and Lonely Planet have rated it as one of the top places in the world to visit.</p> <p>Vibrant entertainment options Christchurch is ideal for those who enjoy a variety of things to do – from art exhibitions and cultural celebrations to sporting events and music festivals. There are over 900 restaurants, cafés and bars to enjoy, and the university is just minutes away from a number of these. UC is also located near the largest shopping mall in the South Island. The city is home to live music venues, theatres, sports stadiums, many shopping malls, and over 1,000 parks and gardens.</p> <p>Unbeatable outdoor lifestyle Christchurch’s location on the coast makes it a perfect recreational hub – beautiful swimming and surfing beaches are close by and the city’s Port Hills are popular for mountain biking, walking and rock climbing. Skiing and snowboarding can be found at nine ski fields within a two hour drive of the city. If you’re interested in experiencing some of New Zealand’s most stunning places and activities, Christchurch is a great base from which to do so. Attractions such as alpine resorts, white water rafting, whale watching, kayaking, bungee-jumping and world-famous hiking are easily accessible from the city. The South Island is also home to:</p> <ul style="list-style-type: none"> • the breathtaking landscapes in Fiordland • the ski resorts of Queenstown • the West Coast’s rainforests and glaciers • beaches in Nelson-Marlborough and • the majestic Southern Alps.
Academic calendar	<p><u>UC Semester 1 2019 (February intake)</u> International Welcome (Orientation): Monday 11 February 2019, students should arrive no later than 10 February 2019. Enrolment for all international students: in the same week as the International Welcome. Lectures commence on: 18 February 2019 Exams end on: 22 June 2019</p> <p><u>UC Semester 2 2019 (July intake)</u> International Welcome (Orientation): Monday 8 July 2019, students should arrive no later than Sunday 9 July 2019. Enrolment for all international students: in the same week as the International Welcome. Course load (number of points per semester or per year)	A normal workload for one semester is 60 points (or 120 points for one year). Minimum course load is 45 points per semester (90 points per year) and the maximum load is 75 points per semester (150 points per year).
Level of courses	<p>In <u>Arts, Science and Commerce</u>, the undergraduate (Bachelor) degree is a 3 year degree at Canterbury. This means that 300 level courses are the most advanced undergraduate courses in these areas. 400 level courses in these disciplines are graduate courses and undergraduate exchange students are <u>not</u> eligible to take 400 level courses, unless students have been granted admission to a Postgraduate Certificate of Proficiency.</p> <p>Note, however, that some <u>professional degrees such as Forestry, Speech and Language Therapy, Social Work and Engineering</u> are 4 year degrees and 400 level courses in these areas are therefore classed as undergraduate courses. Exchange students may be permitted to take 400 level courses in these disciplines if they have the necessary pre-requisites and the approval of the relevant department.</p>
Timetable	<p>Timetable Planner:</p> <p>This is a searchable course timetable. It allows anyone to enter combinations of courses and preview how they would fit into a timetable before they enrol at UC.</p>

Entry to other theory courses will be considered case-by-case basis and approval from Social Work will be required. ▪ Civil Engineering and Natural Resources Engineering - while the Department of Civil Engineering welcomes Study Abroad and Exchange students and can usually accommodate most course requests, there are limits on capacity in some Civil Engineering courses. In order to ensure that students know in advance whether UC will be able to accommodate them into the courses they need, we now require that all students wishing to take any Civil Engineering courses (courses coded ENCN, ENCI or ENNR) include a list of courses they wish to take at UC with their application. Students who meet general admission requirements will be granted admission to the University first as per usual and their courses will then be sent to Civil Engineering for a decision as to whether students are able to take their selected courses. The International Relationships Office will then advise students as to which courses have been approved. <p>It is also recommended that students applying to other engineering disciplines provide a list of courses with their application.</p> <p>Some other courses are limited entry and may have additional entry requirements. Please contact the International Mobility Co-ordinator or Officer if students have enquiries about course restrictions.</p>

Arrival / International Welcome (compulsory Orientation)

Recommended arrival dates	<p>It is compulsory for international students (including exchange students) to attend the International Welcome. Therefore, students should plan to arrive before the International Welcome takes place.</p> <p><u>UC Semester 1 2019 (February intake)</u> International Welcome (Orientation): Monday 11 February 2019, students should arrive no later than 10 February 2019.</p> <p><u>UC Semester 2 2019 (July intake)</u> International Welcome (Orientation): Monday 8 July 2019, students should arrive no later than Sunday 9 July 2019.</p> <p>Students should register for the International Welcome online.</p> <p>If staying in UC Accommodation Student Village (UCA) on campus (recommended for Exchange students, see further information on accommodation below), the arrival dates for Semester 1 (February intake) 2019 and Semester 2 (July start) 2019 are posted on the website above. The arrival dates may be subject to change.</p> <p>An earlier arrival date is subject to availability.</p> <p>Note: Semester 2 students cannot arrive too early as there is a tight turnaround time between Semester 1 students leaving and Semester 2 students arriving.</p>
Arrange travel to Christchurch and Airport Pick-Up Service	<p>Students must send their arrival details to the Accommodation Office well in advance if they are requesting an airport pickup, with time of arrival, airline and flight number. This must be done at least five working days prior to departure. Students need to send us their arrival details by completing the Airport Pickup form online.</p> <p>Please also read the pre-arrival information carefully.</p>

Accommodation

On-campus accommodation	<p>The usual accommodation for Exchange students is at UC Accommodation Student Village. Study Abroad and Exchange accommodation package is available to Exchange students staying at the Village. Students must complete a separate accommodation application online before the application deadline. Detailed information on the package including fees, how to apply, arrival dates, etc is available at the website above.</p> <p>Availability at UC Accommodation Student Village is guaranteed for</p>
-------------------------	--

	<p>Exchange students provided that they apply for accommodation online by the deadline and return all subsequent contracts by the required deadlines. When making travel plans, it's very important that students also refer to the above accommodation website for the move-in dates, since if they arrive earlier than the move in dates they would need to find temporary accommodation until the move-in time.</p> <p>However, all intending residents should note that the Offer of Accommodation (emailed out following receipt of the application by UCA) has a two week deadline for acceptance. Late return of the acceptance may result in the loss of the room. Applications received after the above deadlines will be offered accommodation subject to availability.</p>
Application process	Information on how to apply online and the online application form can be found on the Study Abroad and Exchange accommodation package web page.
Other accommodation facilities	<p>Please see the information on other accommodation facilities on the website of the Accommodation Office.</p> <p>Note that it could be difficult for students coming for one semester to find off-campus private rental accommodation, so we would recommend that all students apply for accommodation on-campus at Student Village.</p>

Visa Requirements

Are exchange students required to obtain a student visa?	Yes. Please see details on Immigration New Zealand's website .
Are exchange students allowed to work?	Please refer to Immigration New Zealand's website above and make sure that you read the Student Visa Guide carefully.

Medical and Travel Insurance

Compulsory medical and travel insurance	<p>Exchange students must have appropriate and current medical and travel insurance while studying in New Zealand. This insurance must meet requirements set by the New Zealand government under the NZ Ministry of Education Code of Practice.</p> <p>Studentsafe-University insurance is the University's current default insurance cover which meets the standards of the New Zealand Code of Practice for the Pastoral Care of International Students. Exchange students can purchase Studentsafe-University cover when they complete their enrolment in person on campus. If exchange students hope to utilise an alternative insurance policy, they must have the cover assessed at least four weeks before enrolment to determine whether it meets NZ government requirements. The application form for insurance assessment is available on the web page above. It is important to note that many overseas insurance policies do <u>not</u> meet NZ requirements and students need to be aware that a policy required by their home university or issued in their home country may not necessarily meet NZ requirements and that purchase of the default insurance at enrolment may be required.</p> <p>See Medical and Travel Insurance for incoming students for full details.</p>
