Are you a student and do you have a question?

I am a student at the Faculty of Science and have a question about...

- **my studies**
  - Enrolment in study programme and tuition fees
  - Central student desk

- **enrolment in courses or examinations**
  - STIP Student Information Point

- **structure of study programme and choices within it**
  - Study guide

- **my study progress and study skills**
  - Study advisor

- **my wellbeing and personal circumstances**
  - Study advisor

- **extra depth and challenge**

You can go here for support in the field of study guidance and student wellbeing. You will find study trainers, training courses, and workshops to help you study better. There is also a student psychologist for personal problems, a self-help platform, and a student counsellor if you need special facilities for your studies or help with finances. You will also find the confidential advisor and a study and career advisor here.

The first point of contact for students in the area of central student services. For example: registering and deregistering for your study programme or questions about tuition fees.

Here you can get help with registering for courses and exams, timetables, study progress overviews and your diploma application.

This is the place to go if you have questions about your study programme (or changes to it), study tips, and to report personal circumstances that (may) affect your studies.

You can go here for support in the field of study guidance and student wellbeing. You will find study trainers, training courses, and workshops to help you study better.
