

(Un)enrolment for courses – Biosciences – Faculty of Science/FNWI

Examples below via the coursefinder:

<https://www.ru.nl/courseguides/science/bachelor/bachelor-biology-0/course-finder/>

Example of 1a – priority for certain student groups

NWI-BB019B

Immunology

Course info		Schedule	
Course module	NWI-BB019B	Academic year	2021
Credits (ECTS)	6	Period	KW3 (31/01/2022 to 10/04/2022)
Category	02 (Introductory with prior knowledge)	Starting block	KW3
Language of instruction	English	Course mode	full-time
Offered by	Radboud University Nijmegen; Faculty of Science; BioWetenschappen;	Remarks	Maximum capacity: 135. 2nd year Ba Biology students in the Human Biology trajectory have priority
Lecturer(s)		Registration using OSIRIS	Yes
	Previous 1-5 of 6 Next 1	Course open to students from other faculties	No
Lecturer	prof. dr. L. B. Hilbrands Other course modules lecturer	Pre-registration	No
Lecturer	dr. A. van der Meer Other course modules lecturer	Waiting list	Yes
Lecturer	prof. dr. J. van der Vlag Other course modules lecturer	Placement procedure	In order of Study programme
Examiner	prof. dr. J. van der Vlag Other course modules lecturer	Explanation	In order of Study programme
Coordinator	prof. dr. J. van der Vlag Other course modules lecturer		

NWI-BB086

Genomics for Health and Environment

Course info		Schedule	
Course module	NWI-BB086	Academic year	2021
Credits (ECTS)	12	Period	KW1 (06/09/2021 to 07/11/2021)
Category	03 (Advanced)	Starting block	KW1
Language of instruction	English	Course mode	full-time
Offered by	Radboud University Nijmegen; Faculty of Science; BioWetenschappen;	Remarks	Maximum capacity: 45. Course coordinator controls enrolment
Lecturer(s)		Registration using OSIRIS	Yes
	Previous 1-5 of 6 Next 1	Course open to students from other faculties	No
Lecturer	dr. A.P.M. de Brouwer Other course modules lecturer	Pre-registration	Yes
Lecturer	prof. dr. H.J.M. op den Camp Other course modules lecturer	Pre-registration open	from - up to and including -
Lecturer	dr. C. Logie Other course modules lecturer	Waiting list	Yes
		Placement procedure	Done manually by Back Office
		Explanation	Done manually by Back Office

For BB086 it is specified in the course description what is expected from students that wish to participate. In this specific case in this specific year:

“Specifics

Participation is limited to 45 students who must register personally through the course coordinator (clogie@science.ru.nl) in May and June. If more than 45 applications are received by mid-June, a stratified random drawing proportional to the number of applications emanating from Biologists/MLS/HLO student cohorts is held and supernumerary students are put on a waiting list. After June 17th, the course is filled-up on a first-come-first-served basis and supernumerary students are put on a waiting list.”
