Recommended language skills

Italian is our teaching language. There is no language formal requirement for incoming students at University of Bologna, nevertheless the achievement of a pre-intermediate level of knowledge of Italian language (A2 level), before arrival in Bologna, is highly recommended. We have an academic offer in English and a B1 (undergraduate) B2 (postgraduate) level for English it is also recommended.

Incoming students can attend an Italian language course free of charge. Courses are held twice a year: in October for students arriving in the 1st semester and in February for students arriving in the 2nd semester

The sending institution, following agreement with the receiving institution, is responsible for providing support to its nominated candidates so that they can have the recommended language skills at the start of the study or teaching period:

For more details on the language of instruction and courses level, see the course catalogue: www.unibo.it/CourseUnits

The study field of the Erasmus Agreement is binding: please nominate students attending a study programme which is coherent with the study code of the Bilateral Agreement.

The bilateral agreement specifies the number of places available, it is not possible to split the duration of each mobility to increase the number of exchanges (for example if an agreement foreseen 2 students for 10 months, it is not possible to nominate 4 students for 5 months).

Students’ applications must be submitted online as soon as they receive the acceptance message with the instructions.

### 5. Further information

**Multi-campus structure**

The University of Bologna is organized on a multi-campus structure. Courses and research activities are held in five cities: Bologna (the main campus), Cesena, Forlì, Ravenna and Rimini.

**Students need to pay attention to the campus which they have been nominated for, since Campus changes will be only exceptionally allowed, and only for verified academic needs.**

The four cities are well connected to Bologna by train, but we warmly recommend students to find accommodation in the city where their campus is located. Once students have received the confirmation of their registration by our offices, they can contact the relevant international office: [http://www.unibo.it/en/international/exchange-opportunities-at-Unibo/contacts-for-exchange-students-at-unibo](http://www.unibo.it/en/international/exchange-opportunities-at-Unibo/contacts-for-exchange-students-at-unibo)

There is not a mandatory date of arrival. Exchange Students must decide when to leave for Bologna according to the starting date of their courses. Lessons in general will not start before the third week of September in the fall term and the first week of February in the spring term.

As soon as they arrive to our University incoming students **should go to the International Office of their city-campus (Bologna Ravenna Forlì Rimini and Cesena)** to register, to collect their student badge, and to have their Certificate of Arrival filled out and signed.

The University of Bologna does not require a mandatory number of ECTS for each term.
