

The FELIX User Laboratories

User laboratory 1 – FLARE & FELIX

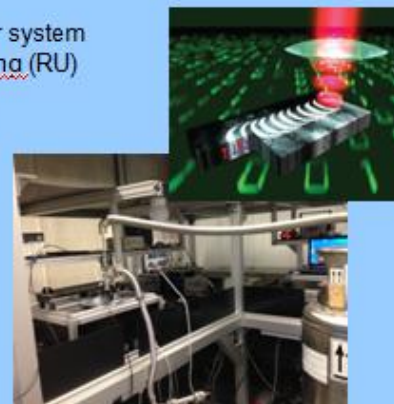

He-droplet machine
Havenith group (Bochum)

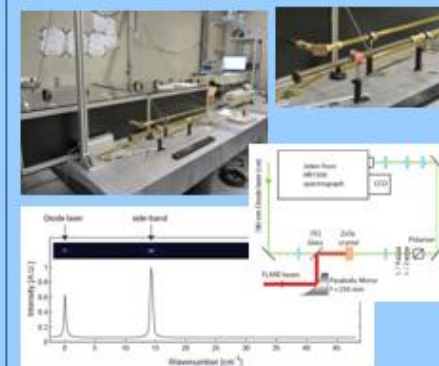

Electrically detected EPR spectroscopy
Aeppli, Murdin (London, Surrey)

Ultrafast laser system
Kimmel & Rasina (RU)

FLARE Diagnostic Station

Beamline construction
(temporary use)

Cold 22-pole ion trap
Schlemmer group (Cologne)

Molecular beam apparatus

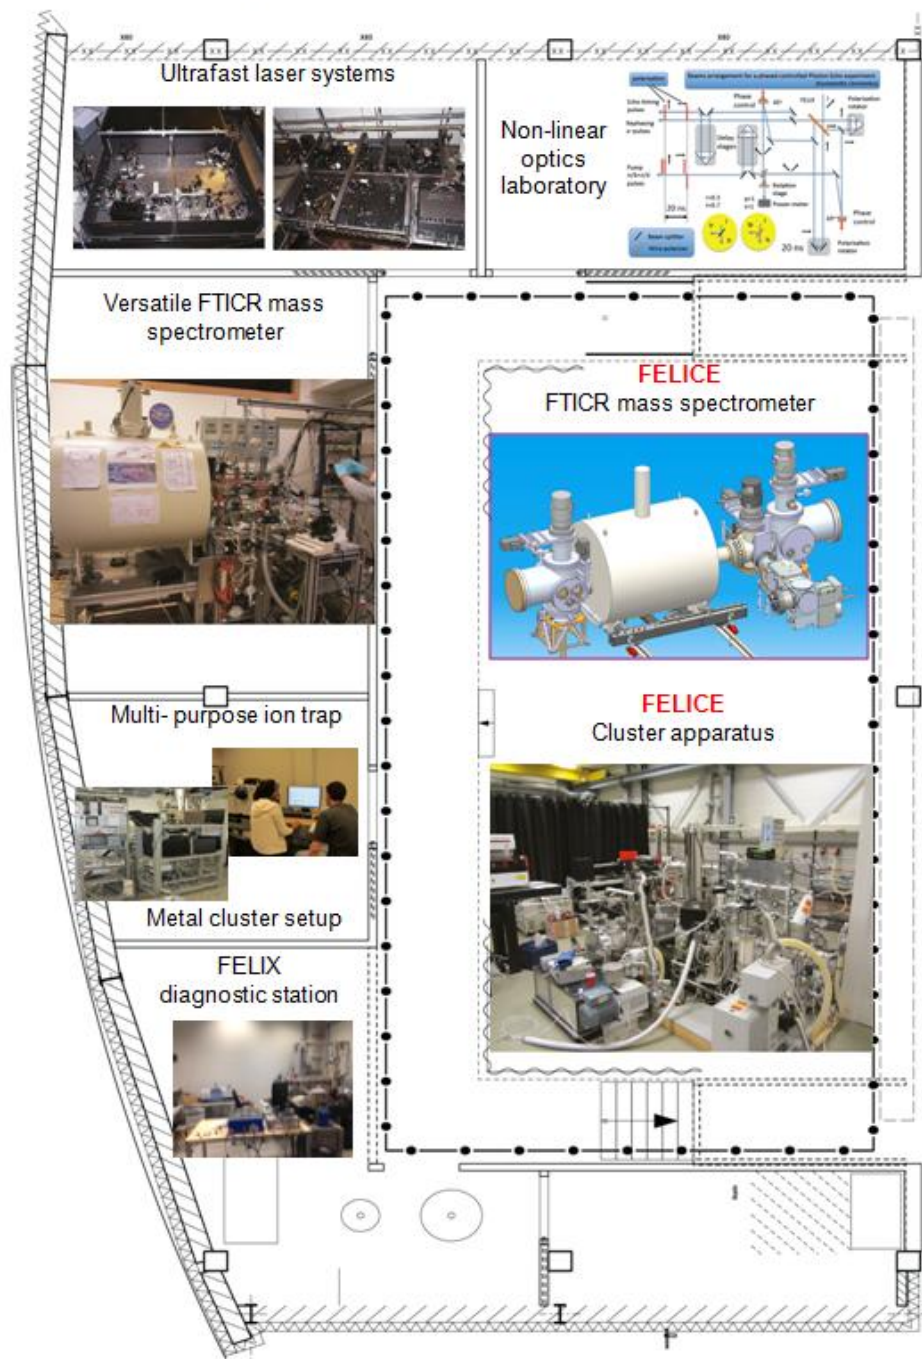

Versatile Ion Trap setup

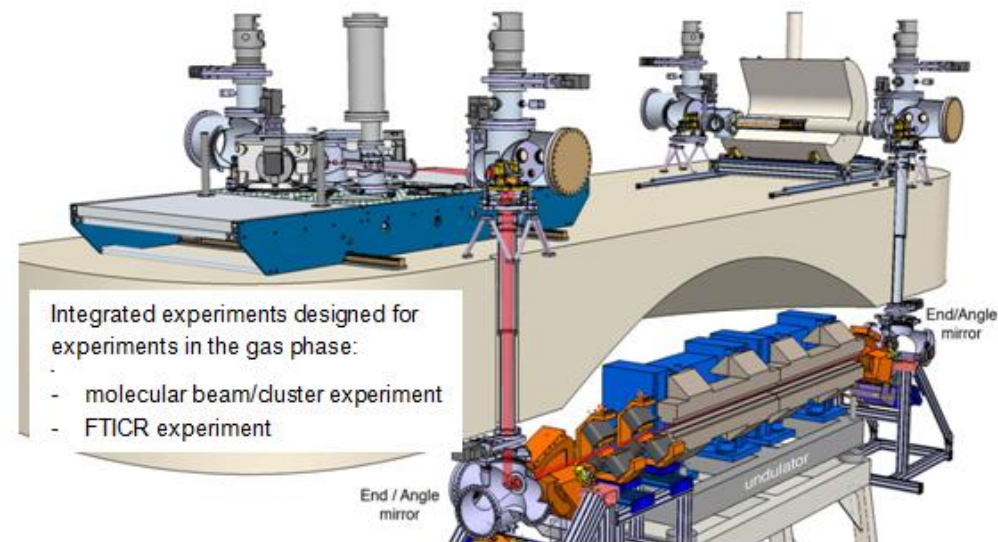

Multi-purpose
station with
optical table

Multi-purpose
beam port with
optical table

User laboratory 2 – FELIX & FELICE

FELICE Intra-cavity experiments

User station @ HFML – FLARE & FELIX
