ABOUT BROCK UNIVERSITY

Brock University is a public research university located in St. Catharines, ON. It is the only university in Canada that is located in a UNESCO Biosphere reserve located at the center of Canada's Niagara peninsula on the Niagara escarpment. The University bears the name of Major General Sir Isaac Brock, who was responsible for defending Upper Canada against the United States during the War of 1812.

ABOUT ST. CATHARINES

St. Catharines is located in southern Ontario, approximately 1 hour from Toronto, and 19km inland from the international boundary with New York State, USA. St. Catharines is the largest city in Canada's Niagara region and the sixth largest urban area in Ontario.

St. Catharines has a humid continental climate with four distinct seasons. The average summer temperature is 25°C with winter temperatures dropping as low as -20°C. The temperature begins to drop in October/November and rise again in April/May. The Niagara Peninsula is the largest wine-producing area in Canada - this draws a great deal of tourism to the region for wine tours and tastings.

St. Catharines carries the official nickname of the "Garden City" due to its 1,000 acres of parks, gardens, and trails. It is 15 minutes to Niagara Falls, a world wonder that sits on the international border of Canada and the United States.

WHICH COURSES MAY STUDENTS REQUEST?

In general, as long as a student has the necessary academic background, they are able to request permission to join courses from any faculty at Brock. Students are also able to take elective credits from a variety of departments and are not restricted to choosing courses from only one department.

NOTES ABOUT COURSES

Our postgraduate Teacher Education courses (EDUC 8P**), GAME and internship/placement courses are not open to visiting students; only Education classes at the Undergrad level are open. Most Child and Youth Studies and Accounting courses are also not open to visiting students.

Courses with "ON" in the course code are not for academic credit, and are not available for Exchange/Study Abroad students.

Some courses require portfolio application, such as musical audition, creative writing & art portfolios. These courses are generally available for visiting students to request, as long as they provide the required supporting materials on time.

SYSTEM OF ASSESSMENT

Students are assessed throughout the semester and will be expected to complete written assignments, midterm tests, and final examinations. Students will be informed of the assessment schedule at the beginning of each term. "Re-sits" do not exist in Canada.

EXAMS / GRADING

The grading system is as follows:

A (80-100%)	Indicates excellent to outstanding work
B (70-79%)	Indicates competent work
C (60-69%)	Indicates adequate work
D (50-59%)	Indicates that the minimum requirements are barely satisfied
F (<49%)	Requirements not met; no credit will be given

Students should plan to remain at Brock University until the final day of the exam period.

VISA INFORMATION

Students studying at Brock University for more than six months must obtain a Study Permit. Study periods of less than six months do not require a Study Permit (please note that COVID-19 has changed this requirement and it could change again).

Currently exchange students who study at Brock for less than six months do not need a study permit but can still apply for a Study Permit. We will work with nominated students to provide accurate travel and study permit information once nominated. In addition to a Study Permit, citizens of certain countries also require a Temporary Resident Visa in order to enter Canada. To find out whether you require such a Visa, please refer to: <https://www.canada.ca/en/services/immigration-citizenship.html>

ACCOMMODATIONS

Students have 2 options to choose from: on-campus residences or off-campus living. Our office will assist students with picking the most ideal option for them, as each style is quite unique.

On-campus accommodation offers a very typical North American experience. Students can choose a private or shared room within our traditional, semi-suite and self-catered options. All students must purchase a meal plan and have tenant insurance for their time abroad.

Please note: published prices are listed for 8 months. One-semester students should divide the cost in half.

The on-campus application deadline for September, including deposits, is **June 1**. Winter semester students can apply by **December 1**.

Off-campus housing provides opportunities to live in the local community alongside upper year students. St. Catharines and the surrounding cities are quite student-focused with bus service to the University. Rent can cost approximately \$450-\$650 a month, depending on amenities that are included.

For support in securing off-campus housing, contact our Off Campus Living Office: brockocl.ca

LOCAL TRANSPORTATION

All students are required to purchase a bus pass as part of their fees at Brock University. This pass will allow students to have unlimited travel throughout the Niagara region, and to and from the university each day.

STUDENT SUCCESS CENTRE

The SSC offers a variety of free support services for students to access during their time at Brock. Services include academic skills workshops, study rooms, drop-in tutoring and leadership development.

STUDENT ACCESSIBILITY SERVICES

The [SAS](#) offers a variety of support services for students.

Any student who has a disability should indicate this on their application to study at Brock. We will connect the student with a support worker in the SAS so that we can plan for a smooth transition and successful exchange term.

The SAS also offers free and confidential counselling services to students. Mental health support services are very important at Brock.

MEDICAL COVERAGE

Supplemental health insurance (i.e. coverage for prescription drugs, dental care, etc.) is provided through the Brock University Students' Union (BUSU). Students paying tuition to Brock will automatically be enrolled in this plan and can opt-out if they wish. Exchange students who pay their fees to their home school will have the option to opt-in.

STUDENT HEALTH SERVICES

There is a medical clinic on-campus at Brock that is staffed by doctors and nurses. All students have access to this clinic as well as to the on-campus pharmacy. The clinic offers a variety of services such as medical care and treatment, health examinations, allergy injections, sexual health advising, mental health counselling and massage therapy. Mental health support services are very important at Brock.
