EXCHANGE PROGRAM at CSUB

The Exchange program at CSUB provides an opportunity for students from around the world to study alongside American students for one or two semesters. Students can take classes across a wide range of disciplines including business, engineering, computer science, communications, natural sciences and more.

Program participants receive many of the benefits of a university student – as well as all the entertainment, dining and social opportunities available in Bakersfield and throughout Southern California – without the long-term commitment. It's the easiest and most cost-efficient way to study abroad!
