Accommodation
PUC-Rio does not provide dorms facilities on campus but offers an enriched opportunity for students to experience the Brazilian way of life by placing students in an accommodation program. For more complete information, check the accommodation website at http://www.puc-rio.br/ensinopesq/cccc/incoming/housing.html

Language Requirements
All exchange students must take a placement test in order to confirm his/her knowledge of Portuguese, on the first day of classes. Students are required to take a Portuguese as a Second Language class during the regular academic term corresponding to their level. Students also have the opportunity to take an Intensive Portuguese as a Second Language course before the regular semester begins, although this course is not mandatory.

Pre-Term Portuguese As a Second Language Intensive Course
Pre-Term Portuguese as a Second Language Intensive Course, held before the regular semester, will not be included in the student’s transcript even if he/she enrolls in the regular semester. Instead, students who take the Pre-Term Portuguese as a Second Language Intensive Course will receive a certificate of completion indicating the course date, student’s grade, and level of Portuguese taken. The Portuguese language courses are offered at five different levels, from very basic to the advanced levels. Each student will take placement test to confirm his/her exact knowledge of Portuguese. This course aims to develop the student’s written and oral skills in Portuguese, preparing international students to attend regular courses at the university during the subsequent academic terms. Support for Disabilities
At PUC-Rio, we work closely with the Center for Disabilities Persons – NAIPD. The NAIPD works directly with the CVI (Central of Independent Life). Coordinated by disabilities people at PUC-Rio and its purpose is to provide services for disabilities using individual approach, informing and guiding them, their families and all the interested ones. We work on a case-by-case basis to accommodate students’ necessities as best as we can. In case of students with learning disabilities, we have to contact their professor to inform his/her necessity. If the students will need some extra time to take test, exams or different kind of computer program etc. We cannot provide a Note Taker, but we can help the student to find a volunteer colleague to help the student in this matter.

Internship
Exchange students are able to do internship in Rio de Janeiro. However, they need to be studying at PUC-Rio and we strongly recommend them to inform CCCI as well as CCESP (Internship Coordination Office) concerning this matter.
