### Support for Disabilities

At PUC-Rio, we work closely with the Center for Disabled People – NAIPD. [http://www.puc-rio.br/sobrepuc/admin/vrac/rae/](http://www.puc-rio.br/sobrepuc/admin/vrac/rae/)

The NAIPD works directly with the CVI (Central of Independent Life). Coordinated by Disabled People at PUC-Rio and its purpose is to provide services for disabilities using individual approach, informing and guiding them, their families and all the interested ones. We work on a case-by-case basis to accommodate students’ necessities the best we can.
In case of students with learning disabilities, we have to contact their professor to inform their necessity. We can also help the students that need some extra time to take test, or exams or different kind of computer program, among others. We cannot provide a Note Taker, but we can help the student to find a volunteer colleague to help him/her in this matter.

### Internship

Exchange students are able to do internship in Rio de Janeiro. However, they need to be studying at PUC-Rio and we strongly recommend them to inform CCCI as well as CCESP (Internship Coordination Office) concerning this matter. Please contact the Incoming Coordination: **Linda Sousa**- incoming@puc-rio.br
