

Minors in Economics

Replacement possibilities within the minor for Bachelor's Economics & Business Economics and Business Administration

Our Faculty does not issue a certificate for the minor if a course in the minor is a compulsory course in your Bachelor's programme. The Board of Examiners of Economics and Business Economics has decided to offer *Bachelor's Economics & Business Economics* and *Business Administration* alternative courses as there are certain overlapping courses in the minor with their own curriculum. Below you will see per minor what the overlapping courses are and the offered alternatives marked yellow.

Accounting

Accounting* or Voortgezet Boekhouden / Network Economics
Corporate Finance** or Topics in Business Economics
Management Accounting and Control
