Field course Alpine Ecology (NWI-BM040B), scheduled in Q3/4, alternates with the Field course Ireland (NWI-BM048B). In 2018-2019 the Field Course Alpine Ecology is scheduled, the next opportunity to participate in the Field course Ireland will be in 2019-2020

- Alpine Ecology enrolment via contact coordinator Eric Visser, ultimately end of December 2018 (limited number of participants)
- NIOZ Marine Masters summer course (BM074) will take place in July, check the prospectus or nioz.nl for details and exact dates
- Enrolment for Marine Masters summer Course via contact coordinator Eric Visser, ultimately medio March 2019 (selection applies)

At various moments during the year, the following courses will be planned: Laboratory Animal Science (NWI-BM024D) and Working with radionuclides (NWI-BM007C). The exact planning of these courses will be published in the studyguide

Nature in a crowded country will be repeated in the spring (2019) at Wageningen University.

Ecology and Management of Large Rivers (NWI-BM002C) not in 2018-2019, next opportunity is in 2019-2020.
