

Transitional arrangement Master's Economics, A&C and CF&C 2016-2017

In the academic year 2016-2017 some changes will be taking place within the specialisations **Accounting & Control** and **Corporate Finance & Control** of the Master's Economics. Students who started their programme before 2016-2017 could choose to finish the 'old' programme. In table 1 all the courses of the 'old' programmes are listed in the 1st column. In the 2nd column the replacement courses or additional exam possibilities are listed.
