

# Applying

## Study options

**International Exchange Programme** is designed for students from our partner universities. You will still pay regular fees to your home university.

**Study Abroad Programme** is ideal for students currently studying at an accredited institution outside China. You will be required to pay a flat fee to UNNC to cover the cost of tuition.

## Scholarship

Scholarships are available to students who are seeking a semester or an academic year's study at University of Nottingham Ningbo China. Please consult Global Engagement Office for more information.

## Entry requirements

Students applying for the International Exchange Programme must be nominated by their home university. Students applying for the Study Abroad Programme must hold good average results in university studies to date.

Applicants from non-English speaking countries must submit evidence of English language proficiency at the time of application. You should have an IELTS score of 6.5 (6 in each of the 4 components) or equivalent. A Language sufficient letter issued from home university would also be acceptable.

## Semester dates

Autumn semester:  
Mid September - end January  
Spring semester:  
Mid February - mid June  
Academic year:  
Mid September - mid June

## Application

Applications should be completed using our online form. Some documentation will also need to be uploaded at the same time as the application-namely: your most recent transcript, passport identity page, passport size photo. Non-native English speakers must also provide their latest English score.

## Deadlines

Autumn semester (September start): 1 May  
Spring semester (February start): 30 October

## Student visas

International students applying to study in China will require a student visa. There are two types of student visa:  
1. The X1 VISA is issued to those who intend to study in China for more than 180 days.  
2. The X2 VISA is issued to those who intend to study in China for less than 180 days.

# Ningbo City

Ningbo is located in Zhejiang Province on the south shore of Hangzhou Bay, opposite to Shanghai. 7,000 years old while still rapidly growing. The city is a unique mix of modern skyscrapers and traditional architecture, complimented with stunning parkland and scenic spots, making it a place for all. It offers an array of international shopping outlets, restaurants, theatres, cinemas, clubs and bars, whilst hosting international sporting and music events. It also provides the chance to embrace culture and tradition.

Unique temples and intricate streets house an array of markets boasting a variety of antiques, textiles and delicious Ningbo cuisine. National and local festivities flaunt the delights of Chinese culture whilst close to one hundred museums and exhibitions represent the city's historic past and innovative future. The city's excellent transport links enable Ningbo to be an ideal location to explore and one from which to open up the vast delights that both China and Asia have to offer.

Ningbo GDP ranked 16<sup>th</sup> in China, equals to 1 Denmark and 6 Iceland (2017)

Ningbo ranked in Forbes' list of the Top 7 cities for business in China

Well-developed transportation enables Ningbo easy access to Shanghai, Beijing, Hongkong, and other major cities

Ningbo located in the most-advanced area for the industry of AI, IoT, 5G, and E-commerce in China

## Campus Life

We have a vibrant UK-Style campus which incorporates traditional Chinese elements. Facilities include a bank, post office, dry cleaner, supermarket, grocery store selling imported goods, hair salon, travel agency and several restaurants including one selling halal and Arabic options. Shopping centres, entertainment facilities and other amenities are all within walking distance or a short bus or taxi ride from the campus.

As an exchange or study abroad student, you will live on campus in an international residence hall with students from around the world. All rooms are fully-furnished and equipped with air conditioning and internet access. En-suite and single rooms are available. Fees varies from 11,000-16,000RMB per year.
