# Academic Offering

## School of Medicine and Health Sciences

- ○ ○ B.A. in Biosciences
- ○ ○ B.A. Nutrition and Wellness
- ○ ○ Physician & Surgeon

## School of Social Sciences and Government

- ● ● B.A. Law
- ● ● B.A. Economics and Finances
- ● ● B.A. International Relations

- Mexico City
- State of Mexico
- Santa Fe

## School of Architecture and Design

- ● ○ B.A. of Architecture
- ● ○ B.A. Industrial Design
- ● ● B.A. Animation and Digital Art

## School of Humanities and Education

- ● ● B.A. Communication and Digital Media
- ● ● B.S. Digital Music Production Engineering
- ● ○ B.A. Psychology

- Mexico City
- State of Mexico
- Santa Fe

## School of Business

- ● ● B.A. Business Administration
- ● ● B.A. Financial Management
- ● ● B.A. Business Creation and Development
- ● ○ B.A. Finance and Accounting
- ● ○ B.A. Marketing
- ● ● B.A. International Business
- ● ● B.A. Marketing and Communication
- ● ○ B.A. Organizational Psychology

- Mexico City
- State of Mexico
- Santa Fe

# School of Engineering and Sciences

## Bioengineering and Chemical Process

- ● ○ B.S. Biotechnology Engineering
- ○ ● B.S. Sustainable Development Engineering
- ○ ○ B.S. Biomedical Engineering
- ● ○ B.S. Chemical Engineering with minor in Administration

## Information Technologies and Electronics

- ● ● B.S. Information Technologies
- ● ○ B.S. Computer Systems and Technology
- ● ○ B.S. Digital Systems and Robotics Engineering
- ○ ● B.S. Computer Science and Technology
- ○ ○ B.S. Telecommunications and Electronic Systems

- Mexico City
- State of Mexico
- Santa Fe

# School of Engineering and Sciences

## Engineering

- ● ● B.S. Mechatronics Engineering
- ● ○ B.S. Civil Engineering
- ● ○ B.S. Automotive Engineering
- ● ○ B.S. Innovation and Development Engineering
- ● ● B.S. Industrial Engineering with minor in Systems
- ● ● B.S. Mechanical Engineering with minor in Electricity

- Mexico City
- State of Mexico
- Santa Fe

# Credit System

\*\*This is an estimated reference; the exact equivalencies must be determined by the student's home university.

**YOU** DREAM

**WE** MAKE IT REAL

# Spanish Language Courses

# Spanish Language Courses

16 units = 10 ECTS = 6 USA credits

~ Basic ~

~ Intermediate ~

~ Advanced ~

8 units = 5 ECTS = 3 USA credits

~ Business Spanish ~

~ Communicative Skills ~

*\*Online placement test required if unable to provide a proof of proficiency*

**YOU** DREAM

**WE** MAKE IT REAL

# Semester Certificates

# Semester Certificates

## Courses

### **a) Engineering and Control (Choose 6 courses)**

MR2004	Control engineering
MR2007	Computerized control
MR3009	Mechatronic design
MR3012	Mechatronics Laboratory
MR3016	Mechatronic engineering project.
MR3033	Computerized control of electric machines.
TE2023	Microcontrollers

### **b) Ethics, Business and Entrepreneurship in Mexico**

H2002	Ethics, profession and citizenship.
AD1005	Management and innovation in business models
H1032	Mexican culture and identity
EM3004	Leadership for Entrepreneurial Development
MT1003	Marketing and creativity
Spanish	Basic or Intermediate

**\*Taught in English**

# Semester Certificates

## Courses

### c) Vehicle Design (Choose 6 courses)

M3014	Manufacturing Processes Laboratory 1
M3029	Manufacturing Tools Design3
M2007	Mechanism Analysis and Simulation
M3017	Heat Transfer
M3028	Combustion Engine
M3030	Vehicle Dynamics
M2027	Advanced CAD
M3037	Automotive Engineering Project
M2017	Design Methodologies
MR3025	Electrical & Hybrid Vehicles
MR3027	Automotive Electronics
DL2030	The Art of Automotive Illustration

**\*Taught in English**

# Semester Certificates

## Courses

### **d) Urban Mexican Architecture**

#### Architecture:

AR2019 Projects II: Collective housing or AR2022 Projects III: Education and recreation buildings

AR3018 Urban theory

AR3006 Urban design methodologies

AR2007 History of architecture and the city IV

#### Mexican culture:

H1032 Mexican culture and identity

H2003 Contemporary art and Society

**\*Taught in English**

- ✓ Exchanges student at undergraduate
- ✓ 4 internship topics
- ✓ Student can take also 2 extra courses in our Campus if interested

## Work hours and credits:

- ✓ Each internship course is equivalent 160 work hours
- ✓ Full time internship: 8 hours 5 times a week
- ✓ Each course: 3 USA credits – 8 Mexican units – 5 ECTS

## Grades:

- ✓ Inside Tec students will have a tutor
- ✓ Final grade: essays, boss evaluation, and final presentation
- ✓ Official transcript is issued at the end

## How to apply:

Once the student is granted admission, they must send:

- ✓ Acceptance letter
- ✓ Resume
- ✓ Cover letter

***\*B2 level in Spanish is required***

**YOU** DREAM

**WE** MAKE IT REAL

# Summer program

# Summer program (June - July)

## Regular Summer Courses

Students are able to select the courses separately and make their own combination (one or two)

## Summer Certificates

Two summer courses in a specific field

## Summer Courses + Internships:

Enroll into one summer course (5 weeks) plus a half-time 6 or 8 weeks internship.

## Intensive Spanish Summer:

Learn to communicate in Spanish during the summer: Basic, Intermediate or Advanced levels.

# Summer Certificates

Courses	USA Credits	ECTS	Class Hours
a) Corruption and Human Rights:			
✓ Corruption : Causes and Consequences	3	5	45
✓ Human Rights and World Politics	3	5	45
b) Innovation Development & Negotiation:			
✓ Innovation Markets and Technological Development	3	5	45
✓ Intercultural Negotiation and Communication	3	5	45
c) International Marketing and Public Relations:			
✓ International Marketing	3	5	45
✓ Public Relations	3	5	45
d) Social Entrepreneurship and Corporate Sustainability			
✓ Social Responsibility and Corporate Sustainability	3	5	45
✓ Social Entrepreneurship	3	5	45

**\*Taught in English**

# Services for International Students

**YOU** DREAM

**WE** MAKE IT REAL

- 
- Security
  - Orientation
  - Cultural and Sports Activities
  - Accommodation
  - Estimated Costs

# Security

## Before the Student Arrives

Welcome Guide with all the necessary and useful information about Mexico City (cabs, public transportation, where to go, cultural matters, etc.)

## Upon Arrival

Security workshop during orientation (security inside and outside the campus, in the surroundings, houses, in public transportation, while they travel, with their belongings, and cybernetic security).

- Emergency numbers **24/7** available inside the Campus.
- Constant communication through Facebook.
- How to use the 911 official app.
- PDF- "Safe Campus Mexico City"

## During the Semester

Reminders via Facebook, warnings before planning trips and vacations around Mexico and awareness about risky places.

# Orientation

## Welcome Session:

- **Induction to Tec:** Academic standards and disciplinary rules (attendance, punctuality, grading system, etc.)
- **Workshops:** (Security, International Insurance, Migration)
- Changes in timetables
- Welcome lunch
- Buddy program

## Excursions included:

- ✓ Teotihuacan (during summer and semester)
- ✓ Historic Center (during semester)

# Cultural and Sport Activities

## Sports activities or representative groups and competitions

Soccer, Volleyball, Tennis, Spinning, Aerobics, Yoga, Tae-kwon-do, Basketball, Athletics and many more.

## Artistic and cultural activities

Salsa, Theater, Singing, Photography, Painting, Hip hop, Jazz, Hawaiian Dance, Flamenco, Capoeira, African dance, etc.

## Cultural Week

Exhibitions and performances of the artistic and cultural activities at the end of the semester.

# Accommodation

## Host Family Program

- Single room fully furnished
- 3 meals included
- Pick up service upon request
- Recommended for students seeking to experience the atmosphere of a Mexican family

## Off-Campus Accommodation

- List of apartments, houses or single rooms around campus.

## Hotels and Hostels

- List of affordable hotels and hostels for students to stay during the first day if they have not picked an accommodation option.

# Estimated Costs

## **Host Family Program:**

400 USD / 355 EUR per month  
(includes three daily meals)

## **Off-Campus Accommodations:**

From 180 to 450 USD / 160 to 400 EUR per month  
(meals not included)

## **Meals:**

Approx. 200 USD / 178 EUR per month.

## **Transportation:**

Metro or Bus = 0.35 USD / 0.30 EUR

Taxi: 25 minutes = 4 USD / 3.5 EUR
