California State University, Monterey Bay (CSUMB) provides an extraordinary opportunity for International Exchange students to experience American culture, advance their degrees, and improve their English proficiency. CSUMB is a safe, close-knit residential campus located in the heart of California. It is the closest CSU to the beach, provides guaranteed on-campus housing, and has the lowest tuition and fees in the CSU system.

CSUMB provides students with hands-on experience and undergraduate research opportunities. Our diverse, friendly student body receives personal attention in an intimate classroom size.
