### Nomination

**Nomination Deadlines**  
For winter term and whole academic year: 1 May  
For summer term: 1 November  
Please send us the nomination, if possible, via the Moveonnet system: [www.moveonnet.eu/myinstitution/enomination](http://www.moveonnet.eu/myinstitution/enomination)  
**NOTE**: Nominations not matching the respective level of study or subject area agreed upon in the Bilateral Agreement are automatically corrected to that in the Agreement.

**Documents to be submitted**  
Pre-enrolment form, online German language test, Transcript of Records, Learning Agreement, and (if applicable) certificate of Bachelor's/Master's degree or equivalent  
**NOTE**: It is vital that exchange students register at and regularly login to our online portal “Distributed Campus” to find all tasks, deadlines and documents. Students are asked to register on that portal as soon as their nomination has been processed: for those starting in the winter term, this email will be sent in June; for those starting in the summer term, it will be sent in December.

**Language Requirements**  
Please note that most of the courses and study programmes are taught in German, so a decent level of German (B1-B2 level) is required for most of the study fields.

| Course Registration Procedure | With only a few exceptions, exchange students are asked to register online via the “Campus Management” system. Information on how registration works is provided during orientation days, along with the necessary log in data. 
**NOTE:** Only those students that have met our deadlines and have sent all forms which we asked for on “Distributed Campus” will receive their log in data in time. |
Since online registration starts only on the first day of term, i.e. 1 October/1 April, all Learning Agreements signed previously by our institution are to be regarded as preliminary. Our own deadline for the submission of Learning Agreements is therefore 31 October for the winter term/30 April for the summer term.

Credit System
NOTE: Students can find specific information on ECTS regarding their subject on our information portal “Distributed Campus”.

Meal plan and Cost
In Berlin, no student accommodation is linked to a fixed meal plan. Students can choose to cook for themselves or visit the on-campus cafeterias (the so-called “Mensas”) whenever they like and pay individually for each meal:

Alternative Accommodation Availability
http://www.fu-berlin.de/en/sites/unterbringung/optionen/individuell/

Please note that finding accommodation has become increasingly difficult in Berlin, so that we recommend incoming students to tackle the issue early when preparing their stay in Berlin.

Further local information about the city of Berlin can be gathered here: www.berlin.de. Pick-up service is not provided to exchange students upon arrival. We warmly recommend that students use the public transport website (www.bvg.de/index.php/en/index.html) in order to plan their journey from the airports or the main train station to their respective accommodation.

Living Costs

In addition to the monthly rent, while ERASMUS students do not pay for study or registration fees, they are required to pay social fees and the public transport ticket (“Semesterticket”), valid for one term. This payment must be made during personal enrolment:

> “Semester Ticket and Social Fees”

Health Insurance

Students can find more information regarding insurance issues on “Distributed Campus”.
