**Academic information**

**Academic entry requirements**
To apply to study on Erasmus exchange you must:
- Be nominated by your home university to study on an exchange agreement
- Have achieved a cumulative GPA of 3.0 or over on a 4.0 scale OR equivalent (B average) OR ECTS ‘C’ at your home university

You must also:
- Provide a strong personal statement
- Provide evidence of your written and spoken English skills if English is not your first language
- Provide a transcript (Applicants to the College of Arts, Humanities and Social Sciences will be required to provide a transcript at the point of application demonstrating they have completed a minimum of one full year of study at their home institution. Where one full year has not yet been completed, study at a previous institution will be considered on a case-by-case basis. Applicants to the College of Science and Engineering will be required to provide a transcript demonstrating that they have completed 1 semester of study).

For more information on entry requirements: [www.ed.ac.uk/global/study-abroad/study-options/erasmus-exchange](http://www.ed.ac.uk/global/study-abroad/study-options/erasmus-exchange)

**Looking for courses**
You should select at least two thirds of your courses in the subject area of the Erasmus agreement. It may be possible to take one course per semester outside of this subject area.

To enroll in courses you must meet the prerequisites stated in the Course Finder. We will aim to place you in your preferred courses but cannot guarantee that this will be possible.

You will find a list of the courses available to exchange students on the website: [www.ed.ac.uk/study-abroad/course](http://www.ed.ac.uk/study-abroad/course)

**Modern language exchange**
Academic information

If you are applying under a Modern European Languages exchange, you will probably be studying English at your home university. You can therefore take a variety of courses here in Edinburgh. You will still be expected to take two thirds of your courses in the College of Arts, Humanities and Social Sciences.

Entry into honours level courses

Year 3 and Year 4 courses are called honours courses.

All honours level classes have strict academic prerequisites and in some subjects there are limited places available. For enrolment in many honours courses, we require visiting students to have completed at least three or four previous courses in the relevant subject area, achieving a grade B or above (or equivalent).

Entry to honours course is not guaranteed; however we will aim to place you in your preferred course.

Popular subject areas

Though we endeavor to ensure that majority of our students are allocated their preferred course choices, sometimes this is not possible.

The following subject areas cannot guarantee access to students who are not on a direct exchange in the subject area, either because these subjects are high-pressure (very popular courses with limited capacity and strict pre-requisites) or because they have limited study options available for visiting students:

- Art & Design Elective courses
- English Literature
- History
- History of Art
- Informatics
- Law
- Nursing
- Politics and International Relations
- Philosophy
- Psychology

Programmes & courses not open to exchange

An academic transcript will normally be issued by the end of the following February (for semester one students) and by the end of the following August (for semester two and full-year students).

One hard copy transcript will be automatically sent to the address you give us in your application.

If you or a third party require a copy of your transcript you can order this at:

www.ed.ac.uk/student-administration/order-documents/transcripts

The University does not automatically send transcripts after re-sits. In this instance an updated transcript must be requested by the student/home institution to:

infopoint@ed.ac.uk

Certificate of Arrival and Departure and Learning Agreements

As an Erasmus student it is most likely that you will need us to sign your Learning Agreement, Certificate of Arrival and Departure. Please fill them in and then take these to your College Visiting Student Office who can be contacted here:

College of Arts, Humanities & Social Sciences
CAHSSvisitingstudents@ed.ac.uk

College of Science and Engineering
SCEvisitingstudents@ed.ac.uk

It is your responsibility to return the signed documents to your home institution. Please note that the Erasmus grant relates to your study period at the University of Edinburgh and so the dates on your form must fall within our Academic Calendar.
Application process

Your home university will need to nominate you.

Your university will receive instructions on how to nominate you in February.

When we have successfully processed your nomination we will send you an email inviting you to apply online to the University of Edinburgh.

You must apply online to the University of Edinburgh as well as being nominated by your home university.

Please read the application guide which will take you through the online application step-by-step: www.ed.ac.uk/global/study-abroad/how-to-apply/application-guide

To apply you should create an online account with us.

You will get a username and a password, which will allow you to track your application through its various stages.

You will need to upload copies of an official transcript (which lists all courses undertaken and grades received at your home university, to date) and a personal statement.

Erasmus students are not required to submit an academic reference.

Application deadlines

Applications must be submitted by the following deadlines:

• 31 May for students starting in September
• 31 October for students starting in January

Late applications will not be considered.

English language requirements

As a nominated Erasmus student you should have already achieved a good level of English equivalent to B2 in the Common European Framework of Reference for language (CEFR).

You may be required to provide us with evidence of your English language ability if you are not from a majority English speaking country, and:

1. You will study with us on a Student Route visa or/and;
2. You wish to take third or fourth year level courses outside the subject area of your Erasmus exchange agreement (only applies to courses in the College of Arts, Humanities and Social Sciences).

Please refer to our Erasmus English requirements: www.ed.ac.uk/global/study-abroad/study-options/erasmus-exchange

In-session language assistance

Academic support and independent study materials are available to exchange students who require English language assistance.

Please refer to the English Language Education team for more information: www.ed.ac.uk/schools-departments/english-language-teaching
Visa requirements

**Standard Visitor route:**
If you are coming to the UK for a programme that is less than six months in length, and you do not wish to work (including work placements as part of their programme) or extend your studies in the UK, you can apply to come to the UK as a Standard Visitor: www.ed.ac.uk/student-administration/immigration/applying-for-visa/standard-visitor

If you are a ‘Visa National’, then you will need to apply for a visa before you travel to the UK. The list of ‘Visa Nationals’ is here: www.gov.uk/guidance/immigration-rules/immigration-rules-appendix-visitor-visa-national-list

Visa Nationals will need to make their application online, and submit their biometric information (their finger prints and digital photo) at their nearest Visa Application Centre.

If your country of nationality is **NOT** on the above list, then you are a ‘Non-Visa National’.

Non-Visa National students will not need to apply for a visa in advance under the Standard Visitor Route. Most Non-Visa Nationals will need to meet with a Border Force official on their arrival to the UK and get a stamp in their passport.

Check our website for information on the permissions and restrictions of the Standard Visitor Route: www.ed.ac.uk/student-administration/immigration/applying-for-visa/standard-visitor

**Studying for longer than six months**
For students coming for longer than six months you will need to apply via the Student Route (previously called Tier 4): www.ed.ac.uk/student-administration/immigration/applying-for-visa/tier-4

If you have questions about immigration to the UK, you can get in touch with our dedicated team of visa advisers: studentimmigration@ed.ac.uk.

Living costs

Information about living costs is available on our website: www.ed.ac.uk/global/study-abroad/living-edinburgh/living-costs

**Further expenses**
You will be liable to pay the charge incurred for any examination resits.

Exchange Students who are here for only one semester and who stay in private (non-University) accommodation may be required to pay Council Tax. Information about Council Tax is available from The Advice Place: www.eusa.ed.ac.uk/adviceplace/accommodation/duringyourtenancy/counciltax
Accommodation

You can apply for accommodation once you have been offered and accepted a place to study here in Edinburgh.

Information about applying to university accommodation can be found here: www.accom.ed.ac.uk/applying/ready-to-apply

Accommodation application deadlines

The deadlines for accommodation applications are as follows:

- **16th August 2022** for all students starting in September 2022
- **30th November 2022** for all students starting in January 2023

Full year Erasmus students are guaranteed accommodation, provided your application is submitted by the deadline.

Please note that we cannot guarantee that you will be offered the accommodation you ask for.

Semester Only students

Students here for a single semester are **not** guaranteed accommodation. However we would advise that you still submit a university accommodation application in case there are spaces left.

Please do not rely on being allocated a spot in University accommodation. If there are no rooms available, you will need to look for private accommodation.

Finding semester only private accommodation in Edinburgh can be difficult, therefore students should be prepared to spend time researching their housing options.

Useful information about Private Housing can be found here: www.ed.ac.uk/global/study-abroad/living-edinburgh/accommodation

Early arrivals

If you plan on arriving in Edinburgh before your accommodation contract begins, please contact our Accommodation Allocations team to enquire if it will be possible to move in early: accom.allocations@ed.ac.uk

Health & personal insurance

All students on a full-time course of studies in Scotland are eligible for National Health Service (NHS) treatment. If you are studying here full time as a visiting student on the Standard Visitor route and you experience an illness or accident, you will be able to access NHS treatment. This is provided for free, however, you may have to pay for dentistry and some more specialised services.

However, it must not be your intention to access healthcare when you travel.

We advise that students take out adequate travel insurance which includes a medical component and also protection to cover personal items, such as baggage, books, personal computers, etc.

If you have a pre-existing medical condition, we strongly advise that you contact the Student Disability Service which will be able to provide advice and support about treatment and medication: www.ed.ac.uk/student-disability-service

You should research the options available to you and select the insurance policy which is most suited to your situation. For more information about private health insurance: www.ed.ac.uk/students/new-students/ready-university/top-6-tasks/doctor/private-health-insurance

If you are coming via the Student Route you will pay a fee for this visa which includes a health surcharge and therefore you would be covered for NHS treatment for the duration of your studies.

A level of content insurance is included in the rent for students who are in university accommodation. For more information: www.accom.ed.ac.uk/during-your-stay/policies

Testing and treatment for Covid-19 is free of charge if you have symptoms or have been asked by local council to take a test, regardless of immigration status. NHS treatment for people who are infected with Coronavirus (COVID-19) is also free of charge for everyone.

The University has a number of open-access labs and there is an extensive network of wireless points throughout the University sites.
