International Successions in Europe

change perspective

Radboud University
"In this world nothing can be said to be certain, except death and taxes" - Benjamin Franklin.

This course is devoted to private international law with particular focus on successions, as well as introduction to cross-border inheritance taxation. It consists of a detailed overview of the EU Succession Regulation on jurisdiction, applicable law and recognition and enforcement of foreign judgements in succession matters. The EU Succession Regulation will also serve as the background for discussions on Hague Conventions, international succession laws of third states (non-EU), solutions provided for in bilateral agreements, as well as on comparative succession and inheritance tax law.

Topics discussed in this course will include: basics of Private International Law, sources of International Succession Law, EU succession Regulation, Jurisdiction of the courts of the EU Member States in succession matters and more.

This course will exist of:
- Lectures
- Mini-case studies
- Case studies
- Discussions
- Short presentations
- Independent study

Course leaders
- Anna Wysocka-Bar, lecturer
  Jagiellonian University, Krakow, Poland
- Ewa Kamarad, lecturer
  Jagiellonian University, Krakow, Poland

After this course you are able to
- Understand basic differences in substantive succession laws in the EU and their consequences in cross border succession cases
- Find the adequate rule on jurisdiction and predict which court will be competent to liquidate the estate
- Find the adequate rule and predict which law will govern a particular succession case
- Determine whether the judgement issued in one of the EU Member States will be recognized and enforced abroad
