Location lockers during examination period 2

During examination period 2 there will be placed lockers in the following buildings. You can use these lockers to store your belongings during your exam. The locker operates with a 4 digit code which you can enter yourself.

Please only use a locker for storage of your belongings during an exam. Empty the locker after you have finished your exam, so other students can use the locker when they have an exam. Lockers will be emptied each night.

Lecture Hall Complex

Lockers are placed in the basement of the Lecture Hall Complex.

Linnaeus building

Lockers are placed on the first floor. Take the main entrance and the stairs to the first floor. If you turn right at the top of the stairs, the lockers will be in your sight.

Spinoza building

Lockers are placed in the hall at the lecturehalls Spinoza 1, 2, and 3.

Elinor Ostrom building

Lockers are placed in the Leon Weckezaal (room number 01.630). To find the lockers go to the bottom of the hall. At the bottom is a door at the right side to a space where the lockers are situated.

Grotius building

Lockers are placed on the ground floor behind the coffeecorner and in the space behind the coffeecorner. This is very close to the great lecture hall.
