Ten commandments

1. Enlist/subscribe on time for courses and exams (and resits!!) via https://portal.ru.nl
2. Regularly check your email account from the RU [...]@ru.nl and the FNWI [...]@science.ru.nl
3. Make sure you know how, and for what, to use Brightspace
4. Order your books on time (preferably via the BeeVee)
5. Be careful with your rented microscope (costly!).
   - The safe is meant for the microscope and its extra's, and should not be stuffed
6. Check the online prospectus for courses, data, books, teachers etc.
7. The lab is for lab sessions: during ‘wet’ lab session you should wear a lab coat (clean and not written on)
   - You are not allowed to eat or drink in the lab. Bags and coats remain outside the lab
8. You are not allowed to eat or drink in the lecture rooms. Use of cell phones is prohibited, unless specified otherwise.
   - During lectures you don't talk amongst each other when the lecturer is speaking
9. Don’t say school, lessons, homework, teacher, but use university, lecture, lecturer, self assignment
10. Are things not going as planned? Do you encounter difficulties in any way (either personal, time management, choosing, selfmanagement etc.)
   - Don’t hesitate and contact one of the Student Advisors!
