PhD bonus IMAPP

Regulations update 30 Aug 2022.

To encourage PhDs to finish their theses in time, a PhD promotion bonus of € 1500 has been set up by IMAPP. To be eligible for the PhD promotion bonus, you must meet the following rules:

- The manuscript needs to be approved by the PhD supervisor and submitted to the reading committee within four years. The PhD supervisor will email to the director and managing director of IMAPP about the submission of the thesis to the reading committee.

**IMPORTANT:** please take into account that it is compulsory to check your manuscript for plagiarism. This check will take three working days. Subsequently, the report is send to the PhD supervisor for review. After approval of the PhD supervisor, the manuscript can be submitted to the reading committee. The submission of the manuscript to the reading committee needs to be done within four years.

- The manuscript needs to be approved by the reading committee, the defense needs to take place at the Radboud University
- Inform the managing director about the date of the defense
- The bonus will be paid after the defense
- In case of a part-time appointment, the duration is extended proportionally
