If a student has received financial support on the basis of the profiling fund, as referred to in the WHW, due to a disability or chronic illness, the Examination Board will always extend the period by at least the number of months that financial support has been granted by the Executive Board.
5. The validity period of successfully completed partial examinations is, in principle, limited to the academic year, unless the validity period is otherwise specified in Appendix III. The validity period for the result of partial examinations will end when the result of the interim examination for the relevant educational unit has been definitively determined.

Article 31. Final examinations

Article 32. Degree and distinctions

1. A student who has passed the final examination of the degree programme will be awarded a Bachelor of Arts (BA) degree.

2. The Examination Board can award a distinction to a student who has successfully passed the degree programme examination. Article 35. Method of evaluation of education

In compliance with the quality assurance system of the university as described in the *Handboek Kwaliteitszorg Onderwijs Radboud Universiteit* (Radboud University quality assurance manual), the dean shall ensure that the education of the degree programme is systematically evaluated.

3. In cases of conflict between these regulations and the relevant legal provisions, the WHW provisions will prevail.

Article 37. Establishment, participational bodies, and amendments

1. These regulations are drawn up or amended by the dean after receiving advice from the programme committee and after having obtained the approval of the Faculty Joint Assembly.
2. An amendment to these regulations has no impact on the current academic year, unless this would disproportionately negatively affect the interest of the students.

Article 38. Entry into force

1. These regulations enter into force on 1 September 2022.
2. The Education and Examination Regulations applicable before this date will then expire.

Article 39. Publication

Appendix VII Guideline BSA

Article 1. Study advice first year (BSA)

1. 2. For the purposes of this guideline, 'propaedeutic phase' means the first period in a Bachelor's programme with a study load of 60 EC.
3. The Committee on Binding Study Advice for First-Year Students shall issue a positive recommendation to students who have completed at least 45 EC of the first-year curriculum, as referred to in paragraph 2.
4. The Committee on Binding Study Advice for First-Year Students will advise students negatively on continuing their degree programme if a student does not meet the requirements referred to in paragraph 3, unless one or more of the personal circumstances as referred to in Article 3 of these regulations should play a role. A negative study advice constitutes a binding rejection.
5. In case of a binding rejection, the Committee on Binding Study Advice for First-Year Students shall formulate a plan to inform the student of a negative binding study advice and provide the student with the opportunity to be heard before the binding study advice is issued.
6. In determining whether the required credits referred to in paragraph 3 have been achieved, exempted credits shall be counted.
7. Student hearings are conducted by the Committee on Binding Study Advice for First-Year Students.
8. If students have registered for a full-time programme after 31 January, the Committee on Binding Study Advice for First-Year Students will give a binding study advice at the end of their second study year. The Committee on Binding Study Advice for First-Year Students will give a positive advice to students if all 60 EC from the propaedeutic phase are concluded successfully.
9. The dean will be entitled to lay down additional rules for students who have registered for two degree programmes recognised as a dual degree programme under or pursuant to these Education and Examination Regulations.
10. Students who terminate their enrolment before 1 March will not receive a binding study advice. If they re-enrol for the same programme in the following academic year, they shall receive the binding study advice at the end of that second year. The provisions of the last sentence of paragraph 8 shall apply accordingly.
11. Students may appeal to the Examination Appeals Board against a binding advice not to continue their degree programme within six weeks following this recommendation. The appeal does not suspend the validity of the binding study advice.

Article 2. Preliminary study advice

1. In anticipation of the advice referred to in article 6.2, the First Year Study Recommendations Committee will make preliminary recommendations, at the end of the first semester to students on continuing their degree programmes on the basis of their results so far.
2. The preliminary study advice is primarily intended as a warning to students who have made insufficient progress in their studies. The students in question will be invited for an interview with the student advisor to discuss how their study results could be improved or what other alternative programmes would be better suited to them.

Article 3. Personal circumstances

1. The Committee on Binding Study Advice for First-Year Students shall take into account personal circumstances in their binding study advice decision, as stated in Article 2.1 of the Act's Implementation Decree, insofar as these circumstances have been reported to the student advisor, a student dean, or another designated person, either by the student or by someone else on the student's behalf.
2. In addition to the personal circumstances referred to in paragraph 1, the following personal circumstances shall also be included in the assessment by the Committee on Binding Study Advice for First-Year Students:

 - b. the student is involved in a sport as a top athlete.
3. The student may be asked to further substantiate or justify personal circumstance claims.

Article 4. Duration of the period of rejection

1. Students who have received a binding negative study advice may not re-enrol in the relevant Bachelor's programme for a period of three years, or for any other Bachelor's programmes that the dean has determined fully or partially share the first-year phase.
2. In the event a student should register again for the degree programme after the period referred to in paragraph 1, this registration will be considered as a first registration under this paragraph and the relevant provisions will apply in full.

Article 5. No negative binding study advice or deferral of the decision

1. On the basis of the circumstances referred to in Article 3 of these regulations, the dean, having heard the Committee on Binding Study Advice for First-Year Students may decide not to attach a binding rejection to the negative study advice. Having heard the Committee on Binding Study Advice for First-Year Students, the dean may also decide to not yet attach a binding rejection to the negative study advice, on the basis of the circumstances referred to in Article 5.4.
2. If a binding advice not to continue the degree programme is not given pursuant to paragraph 1, the First Year Study Recommendations Committee will give their binding advice as referred to in article 1 of these

regulations before the end of the second study year if, at that time, the student has not yet obtained the 60 ECs of the propaedeutic year.

This guideline pursuant to Article 7 of the Structural Regulations was adopted by the Executive Board on 16 July 2019 with the approval of the UGV on 1 July 2019, and will enter into force on 1 September 2019, with the withdrawal of the guideline previously in force.
