

Using copyright material in your teaching

Would you like to use **Yes** copyright material in your teaching?

Can you link to it?

Include a **Yes** proxy link to the publication in your material.

No

Is the work **Open Access** available or does it have an open licence, like **Creative Commons**?

Yes

Take over the work.

No

Principles

- Always cite the source.
- Preferably include a hyperlink to the publication.
- Open Access content is always welcome.

Can you comply with the **Easy Access scheme**?

- Max. 40 pages and no more than 20% of the work.
- No maximum for images. However, there are two conditions: max. 10 works from the same creator and max. 25 images from the same work.

Yes

Take-over is permitted.

Any costs have been covered by the Easy Access scheme.

No

Contact

Please contact our colleagues at the Copyright Information Point for assistance and advice.

Copyright@ubn.ru.nl

If you still wish to make a copy, please **request permission via the faculty from Stichting UvO or the publisher.**

They charge a fee per page per course participant.
